**SUBJECT: MIDVALE TELEPHONE EXCHANGES'S REQUEST TO
DISCONTINUE CERTAIN SERVICES, CASE NO. MID-T-08-02**

On December 4, 2008, the Commission opened this docket after receiving a photocopy of Midvale Telephone Exchange Inc.'s application filed with the Federal Communications Commission to discontinue certain services. The cover letter filed with the photocopied application states that the application affects a small portion of Midvale's operating territory in Oregon, containing 22 customers in Oregon and "includes some largely unoccupied land in Idaho." The area will now be served by Eagle Telephone System, Inc.

The filing with the Commission is solely for notification and does not ask for any Commission action or relief., and accordingly this case can be closed.
