On December 29, 2009, IPUC Order No. 30969 was issued by this Commission. The following change(s) should be made to that Order:

Page 5, Paragraph 1

READS:

After reviewing the Application and Staff's comments, we find that it is reasonable and appropriate to approve these subsequent transactions. As noted by the parties, our paramount concern is for the continued operations of the telephone company with the least impact on customers and employees. Upon completion of the transactions, MTC would own and operate all of the transferred assets and provide telecommunications services to Midvale's customers "and be subject to Commission regulations" under Title 61. Application at 4.
