Dear Grace,

RE: Broadband Investment Tax Credit – Midvale Telephone Exchange for years 2006 – 2007.

I have attached our filing for the Broadband Investment Tax Credit for 2006 and 2007. We have invested a total of \$277,466 for the year ended December 31, 2006, and \$634,226 for the year ended December 31, 2007. I have attached a detailed report of our investments. These assets were operational in 2006 and 2007 respectfully.

Please let me know if you have any questions relating to the information I have submitted.

You recently directed me to the Idaho Statutes to research the time limit on making a request for broadband credits. I could not find any clause that addressed a time limit. If there is indeed one, and we have surpassed that limit, please let me know.

Sincerely,

A handwritten signature in cursive script that reads 'Ann E. Sharp'.

BEFORE THE IDAHO PUBLIC UTILITIES COMMISSION

IN THE MATTER OF THE APPLICATION OF MIDVALE TELEPHONE EXCHANGE FOR BROADBAND INVESTMENT TAX CREDIT CERTIFICATION

Case No: MIDVALE TELEPHONE EXCHANGE APPLICATION

Midvale Telephone Exchange files this application for an Idaho Public Utilities Commission ("Commission") order certifying that certain telecommunications equipment is eligible for the broadband infrastructure tax credit authorized by Section 63-3029, Idaho Code. In support of its application, Midvale Telephone Exchange states as follows:

- 1) Midvale Telephone Exchange is a provider of wholesale broadband telecommunications service, and other telecommunications services in Idaho.
- 2) During the calendar years of 2006 and 2007, Midvale Telephone Exchange made certain investments that constitute "qualified broadband equipment" within the meaning of Section 63-3029(I)(3)(b), Idaho Code. Exhibit A-2006 and Exhibit B-2007 attached hereto, describe Midvale Telephone's qualified broadband equipment and contains the information and representation required by this Commission's Order No, 28784 in Case No. GNR-T-01-10.
- 3) Communications regarding this application should be addressed to:

Ann E. Sharp, Controller
MTE Communications
PO Box 7
Midvale ID 83645

- 4) Applicant does not believe that the public interest requires a hearing on this matter, and therefore requests that the Commission approve the application by Minute Order or under Modified Procedure. In the event the Commission determines that further proceedings are necessary, Applicant stands ready for immediate hearings.

WHEREFORE, Midvale Telephone Exchange requests that the Commission issue its order determining that the installed equipment in Exhibits A & B constitutes qualified broadband equipment eligible for the Investment Tax Credit authorized by Section 63-3029(I)(3)(b), Idaho Code.

RESPECTFULLY SUBMITTED This 7th day of April, 2010

Ann E. Sharp, Controller
Midvale Telephone Exchange
