Carolee --

Thank you again for speaking with me earlier today regarding Mobilitie, LLC's application for authority, docketed as # MOB-T-10-01. You explained that, because Mobilitie does not provide qualifying end user service within Idaho, the PUC lacks oversight and cannot grant authorization. You further explained Mobilitie is not required to register as an "Other Telecommunications Service Provider" or meet the requirements outlined at <http://www.puc.idaho.gov/telecom/OTHERTI62.htm>.

Mobilitie, LLC therefore respectfully withdraws its application docketed as # MOB-T-10-01. Kindly dispose of all filed materials.

If, in the hopefully unlikely event that Mobilitie experiences difficulty in securing pole attachment or other deployment opportunities in Idaho, we will circle back to the PUC as you suggested to discuss what relief might be available to Mobilitie with respect to authorization.

Many thanks for your help and guidance,

John
