Applicant has authority to provide interexchange telecommunication services (approved October 21, 2006) and intends to provide all forms of intrastate local exchange telecommunications services including:

SECTION 3.0 - SERVICE AREAS

3.1 Exchange Service Areas

Local exchange services are provided, subject to availability of facilities and equipment, in areas currently served by the following Incumbent LEC(s): CenturyLink.

3.2 Rate Classes

Charges for local services provided by the Company may be based, in part, on the Rate Class associated with the Customers End Office. The Rate Class is determined by the total access lines and PBX trunks in the local calling area which can be reached from each End Office.

In the event that an Incumbent LEC or the Idaho Commission reclassifies an exchange from one Rate Class to another, the reclassification will also apply to customers who purchase services under this tariff. Local calling areas and Rate Class assignments are equivalent to those areas and classes specified in CenturyLink's Southern Idaho Basic Local Exchange Tariff and Northern Idaho Exchange and Network Services Tariff.
