Re: *Request to Relinquish Certificate of Authority of OrbitCom, Inc.*

Dear Sir or Madam:

Enclosed please find an original and seven copies of a request to relinquish the Certificate of Authority of OrbitCom, Inc., along with a CD containing the electronic version of same. I submit this request on behalf of OrbitCom, Inc.

On April 27, 2015, Ionex Communications North, Inc. d/b/a Birch Communications (“Ionex”) and OrbitCom filed with the Federal Communications Commission (“FCC”) a Joint Application seeking approval of a transaction in which OrbitCom would transfer substantially all of its telecommunications assets and Idaho customer base to Ionex (the “Application”). See FCC WC Docket No. 15-102, Public Notice, DA 15-539. In the Application the parties advised that upon consummation of the transaction Orbitcom would no longer offer telecommunications services in Idaho. Instead, Ionex would provide OrbitCom’s Idaho customers with service pursuant to its own authorizations and tariffs.

On May 7, 2015, Ionex and OrbitCom provided notice to OrbitCom’s Idaho customers of the contemplated transaction. The FCC approved the Application on June 5, 2015.

The transaction for which the parties sought approval has now been consummated. As a result of the consummation of the transfer, OrbitCom no longer has customers in Idaho nor does it provide telecommunications services in Idaho. Accordingly, OrbitCom respectfully requests approval of OrbitCom’s request to relinquish its certificate of authority.
