RE: Cancellation of OneEighty Networks CPCN Certificate No. 459

Dear Ms. Jewell

Orbitcom, Inc. (Orbitcom) notified the Commission of the acquisition of OneEighty Networks, Inc. on February 4, 2008. This transaction is now complete and the corporation of OneEighty Networks, Inc. has been dissolved.

Orbitcom is requesting the cancellation of OneEighty Networks, Inc. CPCN, which was granted in Docket OZI-T-06-1, Certificate No. 459, and a withdrawal of their price list. A second filing has been made to update Orbitcom's CPCN, granted in Docket ORB-T-03-1 Certificate No. 430 on June 7, 2006, to reflect they are operating as OneEighty Networks in N. Idaho. Orbitcom will continue to operate in S. Idaho under Orbitcom, Inc.

Please call me at (208) 263-5922 if you have any questions regarding this request.

Sincerely

Susan Lamb
