On October 2, 2008, Orbitcom, Inc. filed a request to cancel Certificate of Public Convenience and Necessity No. 459 issued to OneEighty Networks, Inc. Orbitcom also seeks to withdraw the price list associated with Certificate No. 459. Orbitcom stated that its acquisition of OneEighty Networks is complete and the corporation of OneEighty Networks has been dissolved. In its Decision Meeting held October 27, 2008, the Commission approved Orbitcom's request for cancellation of Certificate No. 459.

COMMISSION FINDINGS

On April 3, 2006, OneEighty Networks filed an Application with the Commission requesting authority to provide facilities-based local exchange services within the State of Idaho. In June 2006, the Commission granted OneEighty Networks' request and issued Certificate No. 459. Order No. 30066.

Following acquisition of OneEighty Networks by Orbitcom, Orbitcom requested cancellation of Certificate No. 459 on October 2, 2008. Any customers previously served by OneEighty Networks will now be served by Orbitcom under Certificate No. 430. Staff recommended that the Commission cancel OneEighty Networks' Certificate No. 459. The Commission finds good cause to cancel Certificate No. 459.
