In these cases the Commission is asked to approve amendments to existing interconnection agreements.

**BACKGROUND**

Under the provisions of the federal Telecommunications Act of 1996, interconnection agreements must be submitted to the Commission for approval. 47 U.S.C. § 252(e)(1). The Commission may reject an agreement adopted by negotiations only if it finds that the agreement: (1) discriminates against a telecommunications carrier not a party to the

agreement; or (2) implementation of the agreement is not consistent with the public interest, convenience and necessity. 47 U.S.C. § 252(e)(2)(A). As the Commission noted in Order No. 28427, companies voluntarily entering into interconnection agreements “may negotiate terms, prices and conditions that do not comply with either the FCC rules or with the provision of Section 251(b) or (c).” Order No. 28427 at 11 (emphasis in original). This comports with the FCC’s statement that “a state commission shall have authority to approve an interconnection agreement adopted by negotiation even if the terms of the agreement do not comply with the requirements of [Part 51].” 47 C.F.R. § 51.3.

### **THE CURRENT APPLICATIONS**

1. Qwest Corporation and XO Idaho, Inc. (Case No. QWE-T-02-2). The parties request that the Commission approve an amendment to an existing agreement adding terms and conditions regarding DC Power Measuring.

2. Qwest Corporation and MCImetro Access Transmission Services, LLC (Case No. QWE-T-02-22). In this case, the Commission is asked to approve an amendment to an existing agreement. The amendment adds terms and conditions regarding an Interim Arrangement for a Single Point of Interconnection and the handling of Virtual NXX traffic.

3. Qwest Corporation and Project Mutual Telephone Cooperative Association (Case No. QWE-T-03-20). This Application seeks approval of an amendment to an existing agreement adding terms and conditions regarding Local Number Portability (LNP).

4. Qwest Corporation and New Edge Networks, Inc. (Case No. QWE-T-02-20). In this case, the parties request that the Commission approve an amendment to an existing agreement adding terms and conditions regarding Commercial Line Sharing.

### **STAFF RECOMMENDATION**

The Staff has reviewed the Applications and did not find any terms or conditions to be discriminatory or contrary to the public interest. Staff believes that these Agreements are consistent with the pro-competitive policies of this Commission, the Idaho Legislature, and the federal Telecommunications Act of 1996. Accordingly, Staff believes that these Agreements merit the Commission’s approval.

### **COMMISSION DECISION**

Under the terms of the Telecommunications Act, interconnection agreements must be submitted to the Commission for approval. 47 U.S.C. § 252(e)(1). The Commission’s review is

limited, however. The Commission may reject an agreement adopted by negotiation only if it finds that the agreement discriminates against a telecommunications carrier not a party to the agreement or implementation of the agreement is not consistent with the public interest, convenience and necessity. *Id.* Based upon our review of the Applications and the Staff's recommendation, the Commission finds that the agreements are consistent with the public interest, convenience and necessity and do not discriminate. Therefore, the Commission finds that the agreements should be approved. However, approval of these agreements does not negate the responsibility of either of the parties to these agreements to obtain a Certificate of Public Convenience and Necessity if they are offering local exchange services or to comply with *Idaho Code* §§ 62-604 and 62-606 if they are providing other non-basic local telecommunications services as defined by *Idaho Code* § 62-603.

### **ORDER**

IT IS HEREBY ORDERED that the amended interconnection agreement between Qwest Corporation and XO Idaho, Inc., Case No. QWE-T-02-2, is approved.

IT IS FURTHER ORDERED that the amended interconnection agreement between Qwest Corporation and MCImetro Access Services, LLC, Case No. QWE-T-02-22, is approved.
