I was perturbed to see on the local news channel that the Idaho PUC is going to allow Qwest to shut down vital payment centers in Pocatello and Boise. These payment centers are important for disabled and mentally challenged customers of Qwest who need to have face to face interactions when dealing with paying their telephone bill.

Idaho is better than this! Do not allow penny pinching corporations ruin a great oppurtunity. Lets make Qwest honor "The Spirit of Service" in our state and our community. Do not allow this proposition to be passed to remove these important and vital payment center in Pocatello and Boise.

Thank you,
Nate Stein
