**BEFORE THE IDAHO PUBLIC UTILITIES COMMISSION**

JOINT APPLICATION OF QWEST  
CORPORATION AND SPRINT  
COMMUNICATIONS COMPANY L.P. FOR  
APPROVAL OF A WIRELINE  
INTERCONNECTION AGREEMENT  
PURSUANT TO 47 U.S.C. §252(E)

**CASE NO.: QWE-T-04-1**

**APPLICATION FOR APPROVAL OF  
AMENDMENT TO THE  
INTERCONNECTION AGREEMENT**

Qwest Corporation (“Qwest”) and Sprint Communications Company L.P. (“Sprint”) hereby jointly file this Application for Approval of Amendment to the Interconnection Agreement (“Amendment”), which was approved by the Idaho Public Utilities Commission on January 13, 2004 (the “Agreement”). A copy of the Amendment is submitted herewith.

This Amendment was reached through voluntary negotiations without resort to mediation or arbitration and is submitted for approval pursuant to Section 252(e) of the Communications Act of 1934, as amended by the Telecommunications Act of 1996 (the “Act”).

Section 252(e)(2) of the Act directs that a state Commission may reject an amendment reached through voluntary negotiations only if the Commission finds that: the amendment (or portion(s) thereof) discriminates against a telecommunications carrier not a party to this agreement; or the implementation of such an amendment (or portion) is not consistent with the public interest, convenience and necessity.

Sprint and Qwest respectfully submit this Amendment provides no basis for either of these findings, and, therefore jointly request that the Commission approve this Amendment

expeditiously. This Amendment is consistent with the public interest as identified in the pro-competitive policies of the State of Idaho, the Commission, the United States Congress, and the Federal Communications Commission. Expedient approval of this Amendment will enable Sprint to interconnect with Qwest facilities and to provide customers with increased choices among local telecommunications services.

Sprint and Qwest further request that the Commission approve this Amendment without a hearing. Because this Amendment was reached through voluntary negotiations, it does not raise issues requiring a hearing and does not concern other parties not a party to the negotiations. Expedient approval would further the public interest.

Respectfully submitted this 14<sup>th</sup> day of April, 2004.

**Qwest DSL™ (with discount) provided with UNE-P Amendment  
to the Interconnection Agreement between  
Qwest Corporation and  
Sprint Communications Company L.P.  
for the State of Idaho**

This is an Amendment ("Amendment") for Qwest DSL™ (with discount) provided with UNE-P to the Interconnection Agreement between Qwest Corporation ("Qwest"), a Colorado corporation, and Sprint Communications Company L.P. ("Sprint"). Sprint and Qwest shall be known jointly as the "Parties".

**RECITALS**

WHEREAS, Sprint and Qwest entered into an Interconnection Agreement ("Agreement") for service in the state of Idaho effective January 13, 2004; and

WHEREAS, the Parties wish to amend the Agreement further under the terms and conditions contained herein.

**AGREEMENT**

NOW THEREFORE, in consideration of the mutual terms, covenants and conditions contained in this Amendment and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

**Amendment Terms**

The Agreement is hereby amended by adding terms, conditions and rates for Qwest DSL™ (with discount) provided with UNE-P as set forth in Attachment 1 and Exhibit A, to this Amendment, attached hereto and incorporated herein by this reference.

**Effective Date**

This Amendment shall be deemed effective upon approval by the Commission; however, the Parties may agree to implement the provisions of this Amendment upon execution. To accommodate this need, Sprint must generate, if necessary, an updated Customer Questionnaire. In addition to the Questionnaire, all system updates will need to be completed by Qwest. Sprint will be notified when all system changes have been made. Actual order processing may begin once these requirements have been met.

**Term**

The discount provided under this Amendment shall terminate on December 31, 2005. Upon termination of this Amendment, the Parties Interconnection Agreement rates, terms and conditions shall continue in full force and effect.

## Further Amendments

Except as modified herein, the provisions of the Interconnection Agreement shall remain in full force and effect.

The provisions of this Amendment, including the provisions of this sentence, may not be amended, modified or supplemented, and waivers or consents to departures from the provisions of this Amendment may not be given without the written consent thereto by both Parties' authorized representative. No waiver by any Party of any default, misrepresentation, or breach of warranty or covenant hereunder, whether intentional or not, will be deemed to extend to any prior or subsequent default, misrepresentation, or breach of warranty or covenant hereunder or affect in any way any rights arising by virtue of any prior or subsequent such occurrence.

A. The provisions in this Amendment are intended to be in compliance with and based on the existing state of the law, rules, regulations and interpretations thereof, including but not limited to state rules, regulations, and laws, as of the date hereof (the Existing Rules). Nothing in this Amendment shall be deemed an admission by Qwest or Sprint concerning the interpretation or effect of the Existing Rules or an admission by Qwest or Sprint that the Existing Rules should not be changed, vacated, dismissed, stayed or modified. Nothing in this Amendment shall preclude or estop Qwest or Sprint from taking any position in any forum concerning the proper interpretation or effect of the Existing Rules or concerning whether the Existing Rules should be changed, vacated, dismissed, stayed or modified. To the extent that the Existing Rules are vacated, dismissed, stayed or materially changed or modified, then this Amendment shall be amended to reflect such legally binding modification or change of the Existing Rules. Where the Parties fail to agree upon such an amendment within sixty (60) Days after notification from a Party seeking amendment due to a modification or change of the Existing Rules or if any time during such sixty (60) Day period the Parties shall have ceased to negotiate such new terms for a continuous period of fifteen (15) Days, it shall be resolved in accordance with the Dispute Resolution provision of this Amendment. It is expressly understood that this Amendment will be corrected, or if requested by Sprint, amended as set forth in this Section 2.2, to reflect the outcome of generic proceedings by the Commission for pricing, service standards, or other matters covered by this Amendment. Any amendment shall be deemed effective on the effective date of the legally binding change or modification of the Existing Rules for rates, and to the extent practicable for other terms and conditions, unless otherwise ordered. During the pendency of any negotiation for an amendment pursuant to this Section 2.2 the Parties shall continue to perform their obligations in accordance with the terms and conditions of this Amendment, for up to sixty (60) Days. If the Parties fail to agree on an amendment during the sixty (60) Day negotiation period, the Parties agree that the first matter to be resolved during Dispute Resolution will be the implementation of an interim operating agreement between the Parties regarding the disputed issues, to be effective during the pendency of Dispute Resolution. The Parties agree that the interim operating agreement shall be determined and implemented within the first fifteen (15) Days of Dispute Resolution and the Parties will continue to perform their obligations in accordance with the terms and conditions of this Amendment, until the interim operating agreement is implemented. For purposes of this section, "legally binding" means that the legal ruling has not been stayed, no request for a stay is pending, and any deadline for requesting a stay designated by statute or regulation, has passed.

B. In addition to, but not in limitation of, Section A above, nothing in this Amendment shall be deemed an admission by Qwest or Sprint concerning the interpretation or effect of the FCC's decision and rules adopted in *In the Matter of Review of the Section 251 Unbundling Obligations of Incumbent Local Exchange Carriers; Implementation of the Local Competition Provisions of the Telecommunications Act of 1996; Deployment of Wireline Services Offering Advanced*
