BEFORE THE IDAHO PUBLIC UTILITIES COMMISSION

JOINT APPLICATION OF QWEST CORPORATION AND IDT AMERICA, CORP. FOR APPROVAL OF THE ADOPTION OF THE SPRINT COMMUNICATIONS COMPANY AGREEMENT (APPROVED BY THE COMMISSION ON JANUARY 13, 2004, IN DOCKET NO. QWE-T-04-1) FOR THE STATE OF IDAHO PURSUANT TO 47 U.S.C. §252(E)

CASE NO.: QWE-T-04-18
APPLICATION FOR APPROVAL OF AGREEMENT TO ADOPT SPRINT COMMUNICATIONS COMPANY AGREEMENT

Qwest Corporation (“Qwest”) and IDT America, Corp. (“IDT”) hereby jointly file this Application for Approval of Agreement to Adopt Sprint Communications Company Agreement (“Agreement”). A copy of this Agreement is submitted herewith.

This Agreement was reached through voluntary negotiations without resort to mediation or arbitration and is submitted for approval pursuant to Section 252(e) of the Communications Act of 1934, as amended by the Telecommunications Act of 1996 (the “Act”).

Section 252(e)(2) of the Act directs that a state Commission may reject an agreement reached through voluntary negotiations only if the Commission finds that: the agreement (or portion(s) thereof) discriminates against a telecommunications carrier not a party to this

agreement; or the implementation of such an agreement (or portion) is not consistent with the public interest, convenience and necessity.

IDT and Qwest respectfully submit that this Agreement provides no basis for either of these findings, and, therefore jointly request that the Commission approve this Agreement expeditiously. This Agreement is consistent with the public interest as identified in the pro-competitive policies of the state of Idaho, the Commission, the United States Congress, and the Federal Communications Commission. Expeditious approval of this Agreement will enable IDT to interconnect with Qwest facilities and to provide customers with increased choices among local telecommunications services.

IDT and Qwest further request that the Commission approve this Agreement without a hearing. Because this Agreement was reached through voluntary negotiations, it does not raise issues requiring a hearing and does not concern other parties who were not party to the negotiations. Expeditious approval would further the public interest.

Respectfully submitted this 29th day of June, 2004.

IDT America, Corp. is incorporated in the state of New Jersey. We understand you have a copy of the wireline agreement.

During the proceeding in which the Commission is to review and approve the Agreement, Qwest may point out that it has objected, and continues to object, to the inclusion of the terms and conditions to which it objected in the proceedings involving the approval of the Underlying Agreement.
3. IDT adopts the terms and conditions of the Sprint Communications Company L.P Agreement for interconnection with Qwest and in applying the terms and conditions, agrees that IDT America, Corp. be substituted in place of "Sprint Communications Company L.P." throughout the Agreement wherever the latter appears.
