PAGEDATA FOR ARBITRATION OF AN)

DISPUTE.)
_____)**

On November 26, 2004, PageData and Radio Paging Services (hereinafter referred to as "the Pagers") filed a Petition for Arbitration against Qwest Corporation. In their Petition, the Pagers requested the Commission arbitrate the issue of whether they are entitled to a refund for transit traffic charges paid to Qwest under their respective interconnection agreements. On November 30, 2004, the Commission issued a Summons to Qwest directing it to file an Answer to the Pagers' Petition.

On December 21, 2004, Qwest filed a Motion requesting an extension of time in which to file its Answer. Qwest asked for an additional 14 days to file an Answer. If granted, Qwest's Answer would be due on January 4, 2005. After Qwest filed its Motion, counsel for the Pagers filed a letter via facsimile that he does not oppose Qwest's plea for an extension.

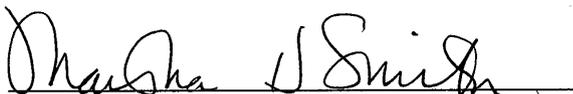

Based upon the lack of any objection, the Commission finds that there is good cause to grant Qwest's Motion for Extension of Time. Qwest shall file its Answer to the Petition no later than January 4, 2005.

ORDER

IT IS HEREBY ORDERED that Qwest Corporation's Motion for Extension of Time to file its Answer is granted. Qwest shall file its Answer no later than January 4, 2005.

DONE by Order of the Idaho Public Utilities Commission at Boise, Idaho this 30th
day of December 2004.
