**APPLICATION OF QWEST
CORPORATION FOR APPROVAL OF
THE ADOPTION OF THE SPRINT
COMMUNICATIONS COMPANY LP
(APPROVED BY THE COMMISSION ON
JANUARY 13, 2004 [ORDER NO. 29417],
IN DOCKET NO. QWE-T-04-1) FOR THE
STATE OF IDAHO PURSUANT TO 47
U.S.C. §252(e)**

CASE NO.: QWE-T-05-05

**APPLICATION FOR APPROVAL OF
AGREEMENT TO ADOPT SPRINT
COMMUNICATIONS AGREEMENT**

Qwest Corporation (“Qwest”) hereby files this Application for Approval of Agreement to Adopt Sprint Communications Agreement (“Agreement”). The Agreement with Metropolitan Telecommunications of Idaho, Inc. (“Metropolitan”) is submitted herewith.

This Agreement was reached through voluntary negotiations without resort to mediation or arbitration and is submitted for approval pursuant to Section 252(e) of the Communications Act of 1934, as amended by the Telecommunications Act of 1996 (the “Act”).

Section 252(e)(2) of the Act directs that a state Commission may reject an agreement reached through voluntary negotiations only if the Commission finds that: the agreement (or portion(s) thereof) discriminates against a telecommunications carrier not a party to this agreement; or the implementation of such an agreement (or portion) is not consistent with the public interest, convenience and necessity.

Qwest respectfully submits that this Agreement provides no basis for either of these findings, and, therefore requests that the Commission approve this Agreement expeditiously. This Agreement is consistent with the public interest as identified in the pro-competitive policies

of the state of Idaho, the Commission, the United States Congress, and the Federal Communications Commission. Expeditious approval of this Agreement will enable Metropolitan to interconnect with Qwest facilities and to provide customers with increased choices among local telecommunications services.

Qwest further requests that the Commission approve this Agreement without a hearing. Because this Agreement was reached through voluntary negotiations, it does not raise issues requiring a hearing and does not concern other parties who were not party to the negotiations. Expeditious approval would further the public interest.

Respectfully submitted this 23rd day of February, 2005.

Dear Mr. Aronow:

We have received your request that, under Section 252(i) of the Telecommunications Act of 1996, Metropolitan Telecommunications of Idaho, Inc. ("CLEC") wishes to adopt in its entirety, the terms of the Interconnection Agreement and any associated amendments, if applicable, (the "Underlying Agreement") between Sprint Communications Company, L.P. and Qwest Corporation fka U S WEST Communications, Inc. ("Qwest") that was approved by the Commission on January 13, 2004 as an effective agreement in the State of Idaho. CLEC is incorporated in the state of Delaware. We understand you have a complete copy of the Underlying Agreement.

By their respective signatures below, Qwest and CLEC ("the Parties") intend that this letter serve as their agreement ("Letter Agreement") for CLEC to adopt the Underlying Agreement under the following terms and conditions:

1. The Parties acknowledge that Qwest believes that the Underlying Agreement no longer accurately reflects the state of the law regarding certain of Qwest's interconnection and unbundling obligations and that, accordingly, Qwest does not believe that it is obligated to allow CLEC to adopt the Underlying Agreement without a corresponding amendment that Qwest believes will bring the Underlying Agreement into compliance with current law. Qwest therefore has prepared and provided to CLEC the attached "TRO/USTA II Amendment," which Qwest believes brings the Underlying Agreement into compliance with current law. Accordingly, the Parties agree to execute and file for Commission approval the attached "TRO/USTA II Amendment" contemporaneously with this Letter Agreement, which amendment thereafter will serve as an amendment to this Letter Agreement.
2. The Parties shall request the Commission to expedite its review and approval of this Letter Agreement. This Letter Agreement shall become effective upon such approval. If for some reason the Commission rejects all or part of the Letter Agreement, including the attached TRO/USTA II Amendment, either party may at its option declare the remainder of the Agreement void and be excused from any performance thereunder.
3. Notwithstanding the mutual commitments set forth herein, the Qwest is entering into this Letter Agreement without prejudice to any positions it has taken previously, or may take in the future, in any legislative, regulatory, or other public forum addressing any matters, including those relating to the types of arrangements contained in the Underlying Agreement. During the proceeding in which the Commission is to review and approve the Letter Agreement, Qwest may point out that it has objected, and continues to object, to the inclusion of the terms and

conditions to which it objected in the proceedings involving the approval of the Underlying Agreement.

4. CLEC adopts the terms and conditions of the Underlying Agreement for interconnection with Qwest and in applying the terms and conditions, agrees that Metropolitan Telecommunications of Idaho, Inc. be substituted in place of "Sprint Communications Company, L.P." throughout the Underlying Agreement wherever the latter appears.

5. Qwest requests that notice to Qwest Corporation as may be required under the Underlying Agreement shall be provided as follows:
