Release 1

NORTHERN IDAHO

Issued: 7-1-05

Effective: 8-1-05

PRELIMINARY STATEMENT

Effective January 1, 1983, in accordance with the order of the FCC in Docket 20828, customer premises equipment, as defined by the FCC, will be provided by the Company for use with new or existing service only so long as the equipment is available from Company inventory acquired prior to January 1, 1983, except as otherwise permitted by the FCC.

The Company will continue to provide maintenance for the Company provided customer premises equipment subject to the availability of replacement parts and/or equipment.

The use and provision of existing customer premises equipment remains subject to the regulations of filed catalogs.

1. APPLICATION AND REFERENCE

1.1 APPLICATION OF CATALOG

This Catalog contains the regulations and rates applicable to intraLATA intrastate exchange and network services and equipment furnished by Qwest Corporation, hereinafter referred to as the Company.

A Territory Served, Service Rendered, Rates and Rules and Regulations

The Company renders exchange telephone service, toll telephone service and private line services and channels throughout the territory served by it and its connecting companies as shown in its schedules, which include a description of the service furnished, and maps filed.

The Company connects at its Cottonwood exchange with the facilities of certain farmer line customers located in that portion of the State of Oregon adjacent to the State of Idaho and who are not within any other exchange area.

B. Notice of Filing

The procedure which will be followed by the Company in rendering service is shown in General Regulations - Conditions of Offering in this Catalog.

No officer, employee or agent of the Company has any authority to waive, alter or amend in any respect these rates or general regulations, or any part of, or to make any agreements inconsistent with the information shown in the filed catalogs.

The rates and general regulations shown are subject at all times to addition, change or abolition after proceedings duly held by the Idaho Public Utilities Commission. Changes in the rates and General Regulations shown in the catalogs must first be approved or accepted by the Idaho Public Utilities Commission.

C. Effective Dates

1. For services established prior to the effective date shown in the Catalog, the effective date will be as shown in the Catalog.
2. For all new service or equipment furnished on or after the effective date shown in the Catalog, the effective date will be the day following the day connected. This will include changes of address involving changes in billing periods.
3. For all services on which a change of type, class or grade of service is completed on or after the effective date shown in the Catalog, the effective date will be the day following the day changed.
4. For exceptions to the effective dates, see individual sections.
