**Re: Qwest / DIECA Communications Inc. dba Covad Communications Company
Survival of Certain Agreements**

Dear Ms. Jewell:

As stated in the attached agreement, Qwest Corporation ("Qwest") and DIECA Communications Inc. dba Covad Communications Company ("CLEC") previously filed a new interconnection agreement ("ICA") with the Commission, simultaneously terminating the pre-existing ICA between the parties. Notwithstanding, the parties have agreed that certain amendments to the pre-existing ICA and other agreements would remain operative for their stated terms, or if not specified, the life of the new ICA. The parties now file the enclosed agreement identifying the surviving agreements for information purposes.

Nothing herein shall be deemed as a waiver of Qwest's position that the QPP Agreement is not subject to the filing requirements of the federal Telecommunications Act, 47 U.S.C. 252(e) or CLEC's position that it is subject to those requirements.

Very truly yours,
