DATE: JUNE 14, 2006

RE: JOINT APPLICATION BETWEEN QWEST CORPORATION (QWEST)
AND DIECA COMMUNICATIONS, INC. dba COVAD COMMUNICATIONS
COMPANY FOR APPROVAL OF AMENDMENT TO THE
INTERCONNECTION AGREEMENT BETWEEN THE COMPANIES.
CASE NO. QWE-T-05-19

BACKGROUND

Under the provision of the federal Telecommunications Act of 1996, interconnection agreements must be submitted to the Commission for approval. 47 U.S.C. § 252(e)(1). The Commission may reject an agreement adopted by negotiations only if it finds that the agreement: (1) discriminates against a telecommunications carrier not a party to the agreement; or (2) implementation of the agreement is not consistent with the public interest, convenience and necessity. 47 U.S.C. § 252(e)(2)(A). As the Commission noted in Order No. 28427, companies voluntarily entering into interconnection agreements “may negotiate terms, prices and conditions that do not comply with either the FCC rules or with the provision of Section 251 (b) or (c).” Order No. 28427 at 11 (emphasis in original). This comports with the FCC’s statement that “a state commission shall have authority to approve an interconnection agreement adopted by negotiation even if the terms of the agreement do not comply with the requirements of [Part 51].” 47 C.F.R. § 51.3.

CURRENT APPLICATION

Qwest and COVAD's Application for Approval of the Amendment to the Interconnection Agreement ("Amendment"), which was approved by the Idaho Public Utilities Commission on October 12, 2005 (the "Agreement").

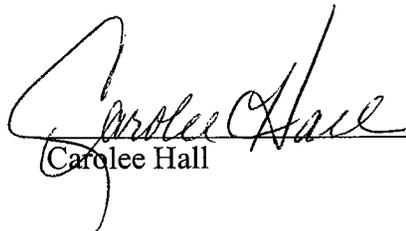

The Application for Approval of Amendment to the interconnection Agreement between Qwest and COVAD states that the parties are jointly filing and that this Amendment was reached through voluntary negotiations without resort to mediation. This is an Amendment to incorporate the Triennial Review Order ("TRO") and the Triennial Review Remand Order ("TRRO") into the Interconnection Agreement as set forth in Attachment 1 and Exhibit A, attached and incorporated into this filing.

STAFF ANALYSIS AND RECOMMENDATION

Staff has reviewed the Application and Agreement and does not find any terms or conditions that it considers to be discriminatory or contrary to the public interest. Staff believes that the Agreement and Amendment are consistent with the pro-competitive policies of this Commission, the Idaho Legislature, and the federal Telecommunications Act of 1996. Accordingly, Staff believes that the Agreement and Amendment merit the Commission's approval.

COMMISSION DECISION

Does the Commission agree?
