FROM: GRACE SEAMAN

DATE: DECEMBER 30, 2005

RE: STAFF REVIEW OF INTERCONNECTION AGREEMENTS: CASE NOS.
QWE-T-05-24 AND QWE-T-02-3.

BACKGROUND

Under the provisions of the federal Telecommunications Act of 1996, interconnection agreements must be submitted to the Commission for approval. 47 U.S.C. § 252(e)(1). The Commission may reject an agreement adopted by negotiations only if it finds that the agreement: (1) discriminates against a telecommunications carrier not a party to the agreement; or (2) implementation of the agreement is not consistent with the public interest, convenience and necessity. 47 U.S.C. § 252(e)(2)(A).

THE CURRENT APPLICATIONS

The Commission has been asked to approve the following Application and amendment to interconnection agreements.

1. Qwest Corporation and Red-Ban Communications, LLC (Case No. QWE-T-05-24). In this Application, the parties request Commission approval to Adopt CommPartners LLC Agreement approved by the Commission on October 13, 2005.
2. Qwest Corporation and ICG Telecom Group, Inc. (Case No. QWE-T-02-3). In this case, the parties request that the Commission approve an amendment to an existing interconnection agreement approved by the Commission on April 12, 2002. This amendment incorporates the Triennial Review Order (TRO) and the Triennial Review Remand Order (TRRO).

STAFF ANALYSIS

Staff has reviewed the Applications and does not find that any terms or conditions are discriminatory or contrary to the public interest. Staff believes that the Applications are consistent with the recent FCC orders and pro-competitive policies of this Commission, the Idaho Legislature, and the federal Telecommunications Act. Accordingly, Staff recommends Commission approval of the amendments.

COMMISSION DECISION

Does the Commission wish to approve these Applications?

Grace Seaman
