47 U.S.C. § 252(e) )	ORDER NO. 30612
_____ )	

In this case the Commission is asked to approve an amendment to an existing and previously approved Interconnection Agreement. With this Order, the Commission herein approves the amendment to the existing agreement.

### BACKGROUND

Under the provisions of the federal Telecommunications Act of 1996, interconnection agreements, including amendments thereto, must be submitted to the Commission for approval. 47 U.S.C. § 252(e)(1). The Commission may reject an agreement adopted by negotiations only if it finds that the agreement: (1) discriminates against a telecommunications carrier not a party to the agreement; or (2) implementation of the agreement is not consistent with the public interest, convenience and necessity. 47 U.S.C. § 252(e)(2)(A). As the Commission noted in Order No. 28427, companies voluntarily entering into interconnection agreements “may negotiate terms, prices and conditions that do not comply with either the FCC rules or with the provision of Section 251(b) or (c).” Order No. 28427 at 11 (emphasis in original). This comports with the FCC’s statement that “a state commission shall have authority to approve an interconnection agreement adopted by negotiation even if the terms of the agreement do not comply with the requirements of [Part 51].” 47 C.F.R. § 51.3.

### THE APPLICATION

On July 15, 2008, Qwest Corporation filed an Application seeking the Commission’s approval of an amendment to its Interconnection Agreement, approved by the Commission on March 7, 2006, with 360networks (USA) inc. *See* Order No. 29986. The parties have mutually agreed to add certain specified terms and conditions governing the calculation of the rate

360networks will pay Qwest for Transit Traffic to their original Interconnection Agreement. *See* Application, Attachment 1 and Exhibit A.

### **STAFF RECOMMENDATION**

The Staff has reviewed the Application and does not find any terms or conditions that it considers to be discriminatory or contrary to the public interest. Staff believes that the proposed amendment is consistent with the pro-competitive policies of this Commission, the Idaho Legislature, and the federal Telecommunications Act. Accordingly, Staff recommended that the Commission approve the proposed amendment to the parties' Interconnection Agreement.

### **COMMISSION DECISION**

Under the terms of the Telecommunications Act, interconnection agreements, including amendments thereto, must be submitted to the Commission for approval. 47 U.S.C. § 252(e)(1). The Commission's review is limited, however. The Commission may reject an agreement adopted by negotiation only if it finds that the agreement discriminates against a telecommunications carrier not a party to the agreement or implementation of the agreement is not consistent with the public interest, convenience and necessity. *Id.*

Based upon our review of the Application and the Staff's recommendation, the Commission finds that the proposed amendment to the Interconnection Agreement is consistent with the public interest, convenience and necessity and does not discriminate. Therefore, the Commission finds that the amendment should be approved. Approval of the amendment to the Interconnection Agreement does not negate the responsibility of either of the parties to these Agreements to obtain a Certificate of Public Convenience and Necessity if they are offering local exchange services or to comply with *Idaho Code* §§ 62-604 and 62-606 if they are providing other non-basic local telecommunications services as defined by *Idaho Code* § 62-603.

### **ORDER**

IT IS HEREBY ORDERED that the Amendment to the Interconnection Agreement between Qwest Corporation and 360networks (USA) inc., Case No. QWE-T-06-02, is approved.

THIS IS A FINAL ORDER. Any person interested in this Order (or in issues finally decided by this Order) may petition for reconsideration within twenty-one (21) days of the service date of this Order. Within seven (7) days after any person has petitioned for

reconsideration, any other person may cross-petition for reconsideration. See *Idaho Code* §§ 61-626 and 62-619.

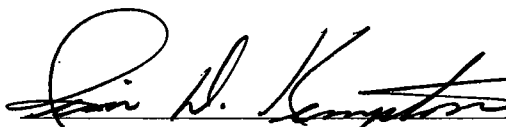

DONE by Order of the Idaho Public Utilities Commission at Boise, Idaho this 5<sup>th</sup> day of August 2008.
