BEFORE THE IDAHO PUBLIC UTILITIES COMMISSION

<p>AT&T COMMUNICATIONS OF THE MOUNTAIN STATES, INC.,</p> <p>Complainant,</p> <p>v.</p> <p>QWEST CORPORATION,</p> <p>Respondent.</p>	<p>Case No. QWE-T-06-17</p> <p>JOINT MOTION FOR EXPEDITED SUMMARY ACCEPTANCE OF SETTLEMENT AND DISMISSAL OF COMPLAINT WITH PREJUDICE</p>
---	--

Qwest Corporation ("Qwest") and AT&T Communications of the Mountain States, Inc. ("AT&T") pursuant to Rule of Procedure 274, IDAPA 31.01.01.274, respectfully move this Commission for expedited entry of an order summarily accepting the settlement and dismissing AT&T's Complaint with prejudice and with each party bearing its own costs and attorneys' fees. In support of this joint motion, the parties state as follows:

Joint Motion for Expedited Summary Acceptance for Settlement and Dismissal of Complaint with Prejudice

1. There are only two parties to this dispute and they have reached a negotiated resolution of all issues in this case. The negotiation has produced a reasonable settlement that is consistent with state and federal law and in the public interest in that it allows the parties and the Commission to re-direct the resources that would have otherwise been used to resolve this dispute.

2. The settlement reached in this case is of essentially a private dispute that has no significant implications for regulatory law or policy, or for other utilities or customers and is, therefore, appropriate for the Commission's summary acceptance under Rule of Procedure 274.

3. The parties appreciate the Commission's time and efforts to date, and note further that the settlement reached by Qwest and AT&T resolves related proceedings in nine other states as well as unrelated claims that Qwest has pursued against AT&T. The Idaho Commission's expedited summary acceptance of the settlement as it affects this Idaho proceeding will serve to implement the parties' global settlement.

Wherefore the parties respectfully request that the Commission accept the negotiated resolution of the parties as a settlement of a private dispute pursuant to Rule of Procedure 274, and enter an expedited order dismissing the complaint with prejudice and with each party bearing its own attorneys' fees and costs.
