FROM: GRACE SEAMAN

DATE: SEPTEMBER 16, 2010

RE: QWEST CORPORATION'S APPLICATION FOR APPROVAL OF
AMENDMENT TO THE INTERCONNECTION AGREEMENT;
CASE NO. QWE-T-06-24.

BACKGROUND

Under the provisions of the federal Telecommunications Act of 1996, interconnection agreements must be submitted to the Commission for approval. 47 U.S.C. § 252(e)(1). The Commission may reject an agreement adopted by negotiations only if it finds that the agreement: (1) discriminates against a telecommunications carrier not a party to the agreement; or (2) implementation of the agreement is not consistent with the public interest, convenience and necessity. 47 U.S.C. § 252(e)(2)(A).

CURRENT APPLICATION

On August 20, 2010, Qwest Corporation (Qwest) submitted an Application to amend an Interconnection Agreement with MCIMETRO approved by the Commission on February 1, 2007 (Order No. 30234) and last amended on May, 12, 2009 (Order No. 30803). In this Application, the parties request that the Commission approve an amendment to the Interconnection Agreement to include terms and conditions for DC power reduction, restoration and deactivation.

STAFF ANALYSIS

Staff has reviewed the Application and does not find that any terms or conditions are discriminatory or contrary to the public interest. Staff believes the Application is consistent with the FCC orders and pro-competitive policies of this Commission, the Idaho Legislature, and the

federal Telecommunications Act. Accordingly, Staff recommends Commission approval of the Application for Approval of Amendment to the Interconnection Agreement.

COMMISSION DECISION

Does the Commission wish to approve this Application?
