APPLICATION OF QWEST CORPORATION FOR APPROVAL OF THE ADOPTION OF THE 360NETWORKS USA, INC. INTERCONNECTION AGREEMENT (APPROVED BY THE COMMISSION ON MARCH 7, 2006 [ORDER NO. 29986] IN DOCKET NO. QWE-T-06-02 FOR THE STATE OF IDAHO PURSUANT TO 47 U.S.C. §252(e)

CASE NO.: QWE-T-07-05

APPLICATION FOR APPROVAL OF AGREEMENT TO ADOPT 360NETWORKS USA, INC. INTERCONNECTION AGREEMENT

Qwest Corporation ("Qwest") hereby files this Application for Approval of Interconnection Agreement ("Agreement"). The Letter Agreement with American Fiber Network, Inc. ("American Fiber") is submitted herewith.

This Agreement was reached through voluntary negotiations without resort to mediation or arbitration and is submitted for approval pursuant to Section 252(e) of the Communications Act of 1934, as amended by the Telecommunications Act of 1996 (the "Act").

Section 252(e)(2) of the Act directs that a state Commission may reject an agreement reached through voluntary negotiations only if the Commission finds that: the agreement (or portion(s) thereof) discriminates against a telecommunications carrier not a party to this agreement; or the implementation of such an agreement (or portion) is not consistent with the public interest, convenience and necessity.

Qwest respectfully submits that this Agreement provides no basis for either of these findings, and, therefore requests that the Commission approve this Agreement expeditiously. This Agreement is consistent with the public interest as identified in the pro-competitive policies of the state of Idaho, the Commission, the United States Congress, and the Federal

Communications Commission. Expeditious approval of this Agreement will enable American Fiber to interconnect with Qwest facilities and to provide customers with increased choices among local telecommunications services.

Qwest further requests that the Commission approve this Agreement without a hearing. Because this Agreement was reached through voluntary negotiations, it does not raise issues requiring a hearing and does not concern other parties who were not party to the negotiations. Expeditious approval would further the public interest.

Respectfully submitted this 12th day of July, 2007.

Dear Mr. Heath,

We have received your request that, under Section 252(i) of the Telecommunications Act of 1996, American Fiber Network, Inc., ("AFN") wishes to adopt in its entirety, the terms of the Interconnection Agreement and any associated amendments, if applicable, (the "Underlying Agreement") between 360networks (USA) inc., and Qwest Corporation ("Qwest") that was approved by the Commission on March 7, 2006 as an effective agreement in the State of Idaho. AFN is incorporated in the State of Delaware. We understand you have a complete copy of the Underlying Agreement.

By their respective signatures below, Qwest and AFN ("the Parties") intend that this letter serve as their agreement ("Letter Agreement") for AFN to adopt the Underlying Agreement under the following terms and conditions:

1. The Parties shall request the Commission to expedite its review and approval of this Letter Agreement. This Letter Agreement shall become effective upon such approval. If for some reason the Commission rejects all or part of the Letter Agreement, either party may at its option declare the remainder of the Agreement void and be excused from any performance thereunder. Upon Commission approval, this new Agreement shall replace the Parties existing Interconnection Agreement, which shall then be considered, terminated. This Letter Agreement is not intended to address or affect the existing Commercial Agreements for Qwest High Speed Internet Service and Qwest Local Services Platform, which shall remain in effect.
2. Notwithstanding the mutual commitments set forth herein, Qwest is entering into this Letter Agreement without prejudice to any positions it has taken previously, or may take in the future, in any legislative, regulatory, or other public forum addressing any matters, including those relating to the types of arrangements contained in the Underlying Agreement. During the proceeding in which the Commission is to review and approve the Letter Agreement, Qwest may point out that it has objected, and continues to object, to the inclusion of the terms and conditions to which it objected in the proceedings involving the approval of the Underlying Agreement.
3. AFN adopts the terms and conditions of the Underlying Agreement for interconnection with Qwest and in applying the terms and conditions, agrees that American Fiber Network, Inc., be substituted in place of "360networks (USA) inc." throughout the Underlying Agreement wherever the latter appears.

4. Qwest requests that notice to Qwest Corporation as may be required under the Underlying Agreement shall be provided as follows:
