360networks (USA) inc.'s Petition for Intervention

360networks (USA) inc. ("360networks") petitions this Commission for leave to intervene in the above-entitled proceeding pursuant to Rules 72 and 73 of the Commission's Rules of Procedure. In support of this Petition, 360networks states as follows:

1. In this docket, Qwest asks the Commission to authorize it to withdraw its Statement of Generally Available Terms and Conditions ("SGAT") relating to the services it provides to its wholesale local exchange customers in Idaho. Qwest also asks to modify the service quality standards that apply to the services it provides to its wholesale local exchange customers in Idaho. 360networks is a competitive local exchange carrier ("CLEC") and wholesale local exchange customer of Qwest in Idaho. Therefore, 360networks would be affected directly by the Commission's granting of Qwest's requests.
2. The granting of this Petition for Intervention would serve the purposes of intervention as described by Rule 74 of the Rules of Practice and Procedure.
3. 360networks will be represented in this proceeding by:

4. This Petition is timely filed and will not unduly broaden the issues or otherwise delay these proceedings.

WHEREFORE, 360networks respectfully requests that the Commission grant this Petition to Intervene and authorize 360networks to participate in the above-entitled proceeding with full rights as a formal party.

Dated this 20th day of June, 2008

Respectfully submitted,
