QWEST CORPORATION REQUESTING) CASE NO. QWE-T-08-04
AUTHORIZATION TO WITHDRAW ITS)
STATEMENT OF GENERALLY) COMMISSION STAFF MOTION
AVAILABLE TERMS AND CONDITIONS) FOR PROCEDURAL ORDER

)**

On March 17, 2009, the Commission issued Order No. 30750 in this case that, in part, granted Qwest's Motion to bifurcate the issues being presented. Specifically, the Commission granted Qwest's Motion to allow withdrawal of its Statement of Generally Available Terms and Conditions (SGAT), and leave open issues regarding Qwest's Motion to also withdraw its Performance Assurance Plan (PAP) and related performance indicator definitions (PID). The Commission in its Order noted that a multi-state review, identified as the ROC review process, was underway to review the PAP and PIDs. Order No. 30750, p. 1. In its Motion to bifurcate, Qwest asked the Commission to hold the PAP and PID issues in abeyance "until April 15, 2009 – a date by which, Qwest understands, the ROC review is scheduled to be completed." Order No. 30750, p. 8. The Commission granted Qwest's Motion to hold the PAP and PID issues in abeyance until after completion of the multi-state ROC review, and directed the parties to provide a procedural schedule to the Commission once the review process was completed.

The multi-state review process was completed as of June 30, 2009, when the final report was issued. Staff moves that the final report be filed as an exhibit in this case and that interested parties be provided an opportunity to file written comments on its application to Qwest's Motion to withdraw its PAP and PIDs. Staff requests the Commission issue an Order notifying interested parties that the final report is filed in this case and providing a twenty-one (21) day comment period for interested parties to file comments. Written comments should address the applicability of the final report to Qwest's Motion to withdraw its PAP and PIDs.

Respectfully submitted this *gth* day of July 2009.

Deputy Attorney General
