CASE NO.: QWE-T-10-02

**APPLICATION FOR APPROVAL OF**  
**AGREEMENT TO ADOPT**  
**INTERCONNECTION AGREEMENT**

Qwest Corporation ("Qwest") hereby files this Application for Approval of Interconnection Agreement ("Agreement"). The Letter Agreement with Millennium Networks, LLC ("Millennium") is submitted herewith.

This Agreement was reached through voluntary negotiations without resort to mediation or arbitration and is submitted for approval pursuant to Section 252(e) of the Communications Act of 1934, as amended by the Telecommunications Act of 1996 (the "Act").

Section 252(e)(2) of the Act directs that a state Commission may reject an agreement reached through voluntary negotiations only if the Commission finds that: the agreement (or portion(s) thereof) discriminates against a telecommunications carrier not a party to this agreement; or the implementation of such an agreement (or portion) is not consistent with the public interest, convenience and necessity.

Qwest respectfully submits that this Agreement provides no basis for either of these findings, and, therefore requests that the Commission approve this Agreement expeditiously. This Agreement is consistent with the public interest as identified in the pro-competitive policies of the state of Idaho, the Commission, the United States Congress, and the Federal

Communications Commission. Expeditious approval of this Agreement will enable Millennium to interconnect with Qwest facilities and to provide customers with increased choices among local telecommunications services.

Qwest further requests that the Commission approve this Agreement without a hearing. Because this Agreement was reached through voluntary negotiations, it does not raise issues requiring a hearing and does not concern other parties who were not party to the negotiations. Expeditious approval would further the public interest.

Respectfully submitted this 19<sup>th</sup> day of May, 2010.

Dear Mr. Ron McCue,

We have received your request that, under Section 252(i) of the Telecommunications Act of 1996, Millennium Networks, LLC ("CLEC") wishes to adopt in its entirety, the terms of the Wireline Interconnection Agreement and any associated amendments, if applicable, (the "Underlying Agreement") between Silver Star Telephone Company, Inc. (Agreement # CDS-090708-0001) and Qwest Corporation ("Qwest"), that was approved by the Commission on November 25, 2009, as an effective agreement in the State of Idaho. CLEC is incorporated in the State of Wyoming. We understand you have a complete copy of the Underlying Agreement.

By their respective signatures below, Qwest and CLEC (individually, a "Party," or collectively, the "Parties") intend that this letter serves as their agreement ("Letter Agreement") for CLEC to adopt the Underlying Agreement under the following terms and conditions:

1. The Parties shall request the Commission to expedite its review and approval of this Letter Agreement. This Letter Agreement shall become effective upon such approval. If for some reason the Commission rejects all or part of the Letter Agreement either Party may at its option declare the remainder of the Agreement void and be excused from any performance thereunder.
2. Notwithstanding the mutual commitments set forth herein, Qwest is entering into this Letter Agreement without prejudice to any positions it has taken previously, or may take in the future, in any legislative, regulatory, or other public forum addressing any matters, including those relating to the types of arrangements contained in the Underlying Agreement. During the proceeding in which the Commission is to review and approve the Letter Agreement, a Party may point out that it has objected, and continues to object, to the inclusion of the terms and conditions to which it objected in the proceedings involving the approval of the Underlying Agreement.
3. CLEC adopts the terms and conditions of the Underlying Agreement for interconnection with Qwest Corporation and in applying the terms and conditions, agrees that Millennium Networks, LLC be substituted in place of "Silver Star Telephone Company, Inc." throughout the Underlying Agreement wherever the latter appears.
