INTERCONNECTION AGREEMENT
(APPROVED BY THE COMMISSION ON

PURSUANT TO 47 U.S.C. §252(e)**

CASE NO.: QWE-T-10-05

**APPLICATION FOR APPROVAL OF
AGREEMENT TO ADOPT
INTERCONNECTION AGREEMENT**

Qwest Corporation ("Qwest") hereby files this Application for Approval of Interconnection Agreement ("Agreement"). The Letter Agreement with Triarch Marketing Inc. ("Triarch") is submitted herewith.

This Agreement was reached through voluntary negotiations without resort to mediation or arbitration and is submitted for approval pursuant to Section 252(e) of the Communications Act of 1934, as amended by the Telecommunications Act of 1996 (the "Act").

Section 252(e)(2) of the Act directs that a state Commission may reject an agreement reached through voluntary negotiations only if the Commission finds that: the agreement (or portion(s) thereof) discriminates against a telecommunications carrier not a party to this agreement; or the implementation of such an agreement (or portion) is not consistent with the public interest, convenience and necessity.

Qwest respectfully submits that this Agreement provides no basis for either of these findings, and, therefore requests that the Commission approve this Agreement expeditiously. This Agreement is consistent with the public interest as identified in the pro-competitive policies of the state of Idaho, the Commission, the United States Congress, and the Federal

Communications Commission. Expeditious approval of this Agreement will enable Triarch to interconnect with Qwest facilities and to provide customers with increased choices among local telecommunications services.

Qwest further requests that the Commission approve this Agreement without a hearing. Because this Agreement was reached through voluntary negotiations, it does not raise issues requiring a hearing and does not concern other parties who were not party to the negotiations. Expeditious approval would further the public interest.

Respectfully submitted this 15th day of June, 2010.

Qwest Corporation
