At the August 2, 2010 decision meeting, Commission Staff presented a decision memorandum regarding Rural Telephone Company's request to change its name to Rural Telephone Company dba RTI. Rural Telephone submitted amended tariffs reflecting the new business name and a Certificate of Assumed Business Name from the Idaho Secretary of State. Staff recommended the Commission allow the tariffs to become effective September 1, 2010.

Based on our review of the requested name change and Staff's recommendation, we find it reasonable to amend Certificate of Public Convenience and Necessity No. 284 to reflect the change from Rural Telephone Company to Rural Telephone Company dba RTI.
