Re: Agency Record in Supreme Court Docket No. 29175

Dear Messrs. Jones and Batt:

In December 2002, I provided each of you with a copy of the Commission's Record on appeal in the above-referenced case. Pursuant to Appellate Rule 29, the parties had 28 days, or until January 28, 2003, to file objections to the transcript or the record, including requests for corrections, additions or deletions. On January 27, 2003 (one day before the review deadline), the Supreme Court issued its Order staying the appeal so that the parties could participate in the appellate settlement process.

On November 5, 2003, the Supreme Court reinstated the appeal and withdrew its previously issued settlement stay. The Court has further ordered that the agency's Record be filed with the Court by January 30, 200[4].

So that we may comply with the Court's Order, please complete your review of the agency's Record no later than Wednesday, December 10, 2003.

Sincerely,

Jean D. Jewell
Commission Secretary
