FROM: WELDON STUTZMAN
DEPUTY ATTORNEY GENERAL

DATE: SEPTEMBER 26, 2008

SUBJECT: SYRINGA WIRELESS'S APPLICATION FOR A BROADBAND TAX CREDIT, CASE NO. SYR-T-08-02

On May 9, 2008, Syringa Wireless LLC filed an Application for a broadband tax credit for calendar year 2007. On September 12, 2008, Syringa notified Commission Staff that it wished to withdraw its current broadband tax credit Application. The Company advised Staff that it will refile a new application once it can meet the statutory broadband speed requirements.

IPUC Rule of Procedure 68 provides that a notice of withdrawal of a pleading is effective fourteen days after filing, unless otherwise ordered by the Commission. There being no order otherwise, Syringa's notice of withdrawal of its Application became effective September 26, 2008. Consequently, the Application is withdrawn and the case can be closed.
