Taxes, Fees, and Surcharges

The Customer is responsible for the payment of fees, surcharges, and taxes including federal excise, franchise, state/local sales and use taxes, and other taxes imposed by governmental and regulatory jurisdictions, all of which shall be separately designated on the Company's invoices. Any taxes imposed by a local jurisdiction (e.g., county and municipal) will only be recovered from those Customers residing in the affected jurisdictions. The Customer is responsible for payment of any taxes that apply retroactively. If any entity other than the Company imposes charges on the Company as part of a service the Customer requested, those charges may be passed on to the Customer.

Billing Charges

Late Payment Charge: If any portion of a Customer's payment is not received by the Company within 20 days of receipt of the bill, or if any portion of the payment is received by the Company in funds which are not immediately available upon presentment, then a late payment charge of $5.00 plus 1.5% per month shall be due to the Company.

Returned Check Charge:

A service charge equal to the greater of $25.00 or 5% of the face amount of the instrument will be assessed in accordance with state law for all checks returned by a financial institution for insufficient or uncollected funds, closed account, apparent tampering, missing signature or endorsement, or any other insufficiency.

SECTION 2: RESIDENTIAL SERVICE PACKAGES

Services in this section are available to new or existing residential customers. Standard taxes, fees, and surcharges apply. All packages are 'Month to Month". There is no term commitment for any plan.

For packages that include "Unlimited" calling, there is a cap of 5,000 minutes per month. Exceeding this cap may be excessive usage for residential service, and may result in a warning, suspension or termination of services.

All new services have an associated Installation Fee, which may be waived for customers porting an existing number from another provider. For new customers that fail the credit check, the non-recurring fee is collected at the time of sale. For new customers that pass the credit check, this fee appears on the first month's invoice.
