**RE: Talk America Services, LLC
Amendment to Certificate of Public Convenience and Necessity
Order No. 33296**

Dear Ms. Jewell:

On May 8, 2015, Talk America Services, LLC ("Talk") was granted approval of its Application for a Certificate of Public Convenience and Necessity to Provide Resold Local Exchange and Interexchange Services in Case Number **TAL-T-14-01** and Order Number 33296. On the same date, the Company was issued Certificate No. 519, which authorizes Talk to provide "resold and facilities-based local exchange telecommunications services within the State of Idaho."

With this letter, the Company is providing notice that it may provide facilities-based local exchange services in the near future, through owned and/or leased facilities, in addition to the resold services requested in its initial application.

Any questions you may have regarding this filing should be directed to my attention at 407-740-3031 or via email to sthas@tminc.com. Thank you for your assistance in this matter.

Sincerely,

/s/ Sharon Thomas
