**RE:** APPLICATION OF TAMARACK VIDEO & TELECOM LLC FOR A  
CERTIFICATE OF PUBLIC CONVENIENCE AND NECESSITY TO  
PROVIDE RESOLD LOCAL EXCHANGE AND INTEREXCHANGE  
TELECOMMUNICATIONS SERVICES. CASE NO. TAM-T-05-1.

On March 15, 2005, Tamarack Video & Telecom LLC ("Tamarack") filed an Application for a Certificate of Public Convenience and Necessity to provide local exchange and toll services throughout the State of Idaho. Tamarack filed an Amended Application for Certification on April 15, 2005.

Tamarack intends to provide local exchange and interexchange services primarily to residential and business customers at the Tamarack Resort in Valley County. However, Tamarack requests authority to provide facilities-based local exchange and interexchange telecommunications services throughout Valley County and Adams County.

Initially, Tamarack will provide local exchange service, Voice over Internet Protocol, and other services. In addition, Tamarack plans to offer interexchange telecommunications services on a resale basis. Tamarack will compete primarily with the incumbent local exchange carrier, Frontier.

Tamarack is an Idaho limited liability company with a corporate office and registered agent located in Boise, Idaho. Tamarack is wholly owned by Tamarack Resort, LLC.
