SUBJECT: CASE NO. TCX-T-06-01
APPLICATION OF TELCENTREX LLC FOR A CERTIFICATE OF
PUBLIC CONVENIENCE AND NECESSITY

On December 21, 2006, Telcentrex LLC filed an Application for Certificate of Public Convenience and Necessity to provide local exchange telecommunications services within the State of Idaho. Telcentrex intends to provide resold and facilities-based local exchange service utilizing the UNE platform purchased from incumbent local exchange carriers. The Application states Telcentrex is formed and has its headquarters in the State of Georgia and is authorized to do business as a foreign limited liability company in the State of Idaho. Telcentrex has no plans to install facilities in Idaho but may do so in the future. It intends to provide resold local exchange services and to purchase unbundled network elements from Qwest and Verizon. The Company provided an illustrative tariff with its Application; it also avers that it will provide service according the laws, rules and regulations of the Commission. Telcentrex does not intend to require advance payments or deposits from customers.

Staff recommends that the Application of Telcentrex for a Certificate of Public Convenience and Necessity be processed by Modified Procedure.
