Re: Case No. TFW-T-09-01 In the Matter of the Application of TracFone  
Wireless, Inc. for Designation as an Eligible Telecommunications Carrier

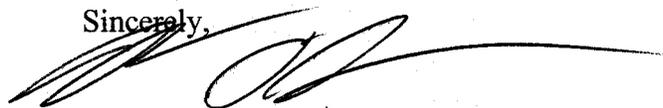

Dear Ms. Jewell:

On February 26, 2010, we filed with the Commission on behalf of our client, TracFone Wireless, Inc., a petition for reconsideration of the Commission's prior order in this docket, and a First Amended Application for designation as an eligible telecommunications carrier. We understand that the petition for reconsideration and the amended application are scheduled for consideration by the Commission at an agenda meeting on March 15. By this letter, TracFone hereby notifies the Commission that it is withdrawing its petition for reconsideration. That withdrawal is without prejudice to petitioning for reconsideration should such become necessary in the future.

We understand that the Commission will consider the amended application, that staff will review the application, seek comment and prepare a recommended decision within sixty (60) days. TracFone looks forward to working with the Commission and its staff as it reviews the amended application.

If there are questions, please communicate directly with undersigned counsel for TracFone.

Sincerely,

Mitchell F. Brecher
