**NOTICE OF T-MOBILE WEST CORPORATION
 OF IMPENDING NAME CHANGE**

T-Mobile West Corporation, wholly owned subsidiary of T-Mobile USA, Inc. and doing business as T-Mobile (referred to as “T-Mobile” or “Company”), hereby provides the Idaho Public Utilities Commission (“Commission”) with notice that, effective June 25, 2012, T-Mobile West Corporation will convert to and become T-Mobile West LLC. This change in corporate organization will have no impact on the operations of T-Mobile in the state of Idaho and will no way impact T-Mobile’s commitments to abide by the federal and state laws and

regulations impacting its designation as an Eligible Telecommunications Carrier (“ETC”) in the state of Idaho.

On August 9, 2011, this Commission issued Order No. 32319 in this Docket in which it designated T-Mobile an ETC for certain areas in Idaho. On April 6, 2012, T-Mobile filed an application in this Docket seeking conditional ETC designation for eligible census blocks outside of its existing Idaho ETC area; such that T-Mobile shall be deemed an ETC outside its existing ETC area where it is selected to receive Mobility Fund Phase 1 support following the Mobility Fund Phase 1 auction, known as Auction 901. On May 3, 2012, the Commission issued Order No. 32543 in this Docket in which it directed that T-Mobile’s application for conditional ETC designation be processed under Modified Procedure and established a 21-day comments period. On May 24, 2012, Commission Staff filed comments recommending approval of T-Mobile’s application. Two additional comments were submitted by members of the public, both in support of T-Mobile’s application.

T-Mobile requests that the Commission acknowledge T-Mobile’s impending conversion and name change in its Order granting conditional ETC designation. T-Mobile also requests that the Commission’s Order acknowledge that the new name also applies to the previously issued ETC designation granted in Order No. 32319. Given the timing of the corporate reorganization resulting in a name change effective June 25, 2012, it is important that the Commission’s grant of ETC designation for T-Mobile, both for the existing ETC area granted in Order No. 32319 and for conditional ETC designation, be consistent with the name of the entity that will submit bids in Auction 901. The FCC has stated that “[a]n Applicant [bidder] must be the entity designated by a State or the [FCC] as an ETC in that geographic area.” DA 12-641, AU Docket No. 12-25 (issued May 2, 2012), ¶93.

For the foregoing reasons, T-Mobile requests that the Commission recognize and acknowledge in its Order that, effective June 25, 2012, T-Mobile West Corporation will become T-Mobile West LCC and that T-Mobile West LLC will be the designated ETC in Idaho, both for the existing ETC designation granted in Order No. 32319 and for the conditional ETC designation for areas outside its existing ETC area.

Dated this 30th day of May, 2012.

Respectfully submitted,

T-Mobile West Corporation
