Re: *In the Matter of the Application of T-Mobile West Corporation for Designation as an Eligible Telecommunications Carrier Pursuant to 47 U.S.C. §214(e)(2)*
IPUC Case No. TMW-T-10-01

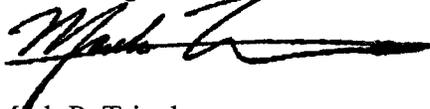

Dear Mr. Miller:

On July 1, 2011, Allied Wireless Communications Corporation (“Allied”) propounded discovery in the above-referenced matter, “First Production Request of Allied Wireless Communications Corporation to T-Mobile West Corporation” (“Allied’s Discovery Request”). On July 1, 2011, Allied also filed a Motion to Defer Deliberations, requesting that the Commission defer further deliberations on T-Mobile West Corporation’s (“T-Mobile”) Application in this matter on the basis that Allied had that same day served Allied’s Discovery Request.

On July 11, 2011, the Commission denied Allied’s Motion to Defer Deliberations on the basis that Allied’s Discovery Request was not timely. In light of the Commission’s ruling, T-Mobile will not provide responses to Allied’s Discovery Request. T-Mobile reserves all rights with respect to Allied’s Discovery Request, including the right to object to Allied’s Discovery Request on other grounds.

Very truly yours,

Davis Wright Tremaine LLP
