RE: ADVICE LETTER 2007-02 REGARDING CASE NO. TSV-T-97-1.

On October 22, 2007, the Idaho Public Utilities Commission received an Advice Letter No. 2007-02 from Sharon Thomas, Consultant to Talk America, Inc. dba Cavalier Telephone also dba Cavalier Business Communications asking to relinquish its authority to provide Local Exchange Service as a CLEC, conditionally granted on September 18, 1997 in Order No. 27137 in Case No. TSV-T-97-1. In addition, Ms. Thomas also requests that the Commission cancel the Company's Local Exchange Services Idaho PUC List No. 5. Further, she states that the Company will continue to provide intrastate resold long distance services in Idaho without interruption.

The granting of the CPCN and the issuance of a Final Order in this case was incumbent upon receipt of Interconnection Agreements. The Company failed to supply the agreements and a certificate was never issued. Consequently, the Commission actions necessary in response to this Advice Letter is to withdraw the Company's Local Exchange Services Idaho PUC List No. 5 and to close Case No. TSV-T-97-1. The Idaho Tariff No. 6 will remain on file as indicated in the Advice Letter.
