Dear Idaho Public Utilities Commission:

Tanager Telecommunications has no customers or active business operating in Idaho. We have decided to close all the company's business licenses in Idaho. Please let me know what else is required, besides this letter to end our account at the Idaho Public Utilities Commission.

We have filed our 2016 annual report showing no business. We have also paid the 2017 \$50 assessment even though we have no business and are closing the account. It would be appreciated if this is sufficient to close the account that the \$50 check were returned.

I can be reached by email at [tanageradams@gmail.com](mailto:tanageradams@gmail.com) and by phone at 503-807-3048.

Sincerely,

Brian Adams

Manager
