RE: Broadband Investment Tax Credit – Tw Telecom for tax year 2012

Dear Ms. Jewel:

Enclosed you will find our 2012 Idaho Broadband Equipment Tax Credit Application for tw telecom inc. Please feel free to contact me with any questions or if you require additional information.

Sincerely,

Steven J. Riley
Vice President, Tax, Risk Management, Payroll

Idaho Broadband Equipment Tax Credit Application

Applicant Information

Name of applicant:	tw telecom of Idaho, llc
Mailing Address:	10475 Park Meadows Drive, Littleton, CO 80124
Local Address:	2223 W Airport Way, Boise, ID 83705
Type of company:	Telecommunications Carrier
Local Contact:	Tab R. Roper General Manager/Vice President – Idaho Tab.Roper@twtelecom.com (208) 472-5007
Tax Contact:	Steven J. Riley Vice President, Tax, Risk Management, Payroll Steve.Riley@twtelecom.com 303.542.4255

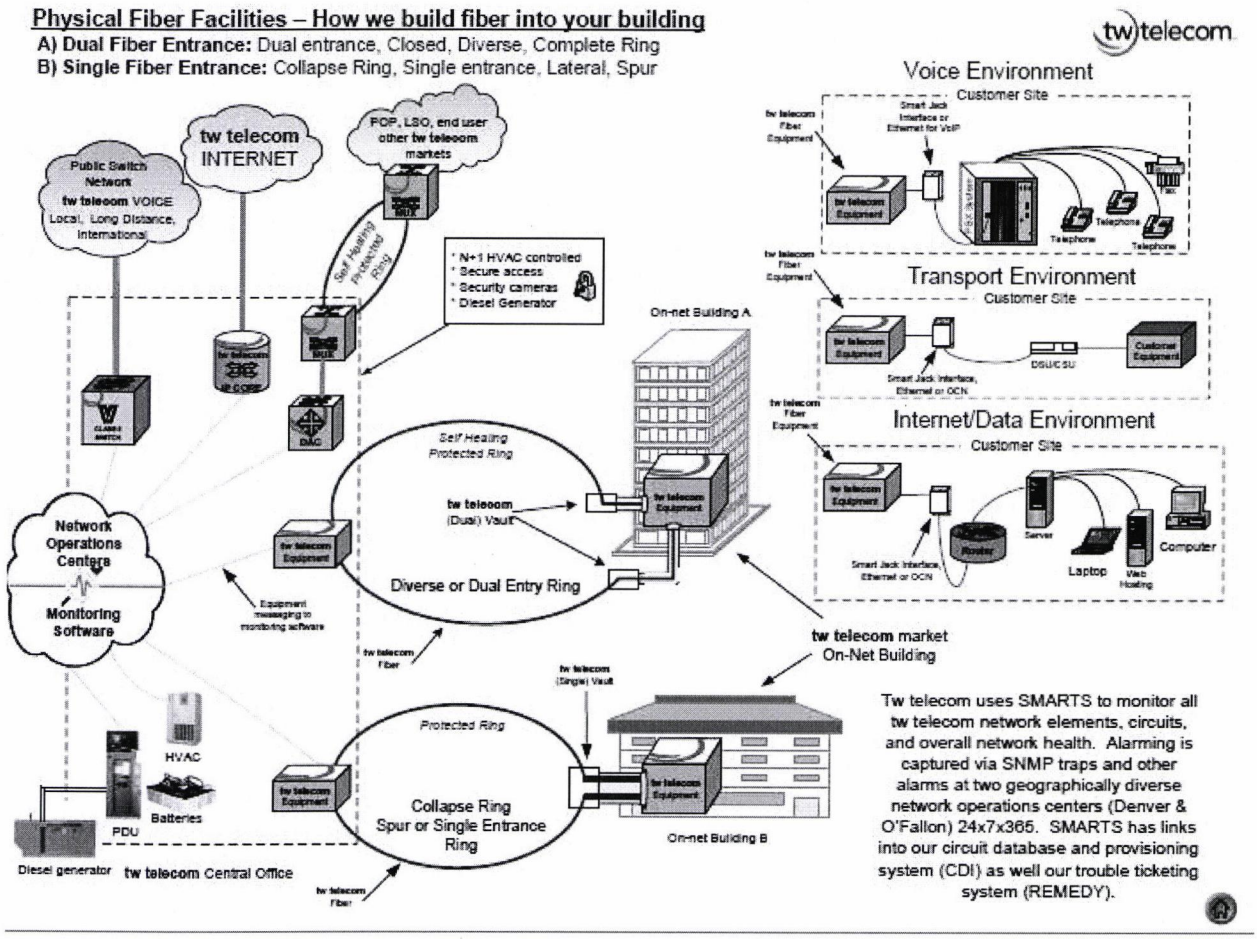
Counties where the equipment is installed in Idaho: Ada, Bannock, Bingham, Bonneville, Canyon, Kootenai, Madison, Midoka, Nez Perce, and Power.

Broadband services offered: Internet Access, Private-line transport, Optical Wavelength, Ethernet Transport, MPLS, and Converged Voice and Data services.

Network transmission rate (in bits per second): 1.5 Mb to 10GB

Equipment list with in-service period: Please see attached. Qualifying equipment includes related software, capitalized interest, labor, overhead, and taxes.

Written description (including basic schematics or general drawings) of the relevant broadband network including a description of how the installed equipment is "an integral part" of a broadband network: tw telecom delivers broadband services via a private fiber optic based network which uses Sonet, Ethernet and DWDM equipment along with copper-based network and equipment via other carriers. tw telecom's constructs its fiber networks in a ring topology locally within a market area and across our long haul network delivering the highest quality and reliability. The follow diagram shows how we build our fiber optic network.



Percentage and number of potential Idaho and non-Idaho subscribers that could be served with the broadband equipment: tw telecom's network can serve all Idaho businesses through a combination of fiber based services and copper-fed facilities/equipment focusing on small, medium and large enterprise, government local and federal business/organizations. Specifically, we have built extensive fiber optic networks throughout the treasure valley, pan handle area, and across southern Idaho from the Oregon border to American Falls and onto the Utah border.

Certification: I hereby certify that I have read the applicable statutes for broadband investment income tax credit and believe that the subject broadband equipment qualifies for the tax credit under *Idaho Code 63-3029I.*

Steven J. Riley
Vice President, Tax, Risk Management, Payroll
