Idaho Public Utilities Commission

Subject: Termination of Resale Agreements in the State of Idaho

The terms of the Resale Agreements (Agreements) between Qwest and the following Companies have expired. Qwest has allowed the expired Agreements to be valid on a month-to-month basis. However, Qwest's records indicate that these Companies are currently not purchasing services or facilities under the Agreements.

Qwest has tried to notify the Companies of our intention to re-negotiate or terminate the Agreements. The notification sent to the Company via certified mail, was returned undeliverable. Other searches for a mailing location or contact point for this Companies was also unsuccessful. Qwest hereby provides notification to the Commission that Qwest has terminated the Agreements.
