Subject: Volo Communications of ID, Inc. Cancels CLEC & IXC Certifications

Sadly, I must relay that Volo Communications of Idaho, Inc.'s ("Volo") lead investors have shutdown its network & laid off personnel. Being this is my last few hours, I wanted to bring closure to the parts of the business that I touched.

Please accept this email as notification that Volo is withdrawing its PUC CLEC & IXC certification in the State of Idaho.

Docket# VOL-T-03- 01	Cert. # 421, Order # 29421	01/23/04	Docket# VOL-T- 03-01	Cert. # 421, Order # 29421	01/23/04
----------------------------	-------------------------------------	----------	----------------------------	-------------------------------------	----------

Volo has no customers and therefore has no deposits to refund. Volo has not transacted any business during the year of 2007 and has nothing to report for the 2007 Annual Report. Unfortunately, Volo has no funds to pay its employees less enough to pay any fees.

Thank you for your assistance with this filing.

Ken
