RE: VZN-T-01-4 Petition of Wallace and Mullan for EAS into Coeur d'Alene

Dear Ms. Jewell:

Verizon Northwest Inc. respectfully requests to withdraw Advice No. 03-13 filed on July 17, 2003 in Case No. VZN-T-01-4. The request in the advice letter filed in that case is now obsolete, as customers in the Wallace and Mullan exchanges have greater choices in calling plans covering the Coeur d'Alene and surrounding areas available today compared to what was offered back in 2003.

For example, in 2006 and 2007, the Company began offering affordable residential and business packages that include unlimited local toll calling. In addition, customers have options to bundle these packages with an unlimited long distance plan and receive additional discounts.

With this letter, Verizon also requests that Case No. VZN-T-01-4 be closed.

If you have any questions concerning this filing, please contact me at 972-718-3418.

Yours truly,

Kim Douglass
