Re: Notification of Zayo Group, LLC and 360networks (USA) inc. Regarding Certain Pro Forma Intra-Company Transactions and Request to Cancel 360networks (USA) inc. Certification

Dear Ms. Jewell:

Zayo Group, LLC ("Zayo") and 360networks (USA) inc. ("360networks") (collectively, the "Parties") hereby notify the Idaho Public Utilities Commission ("Commission") of certain *pro forma* intra-company transactions that will result in the assets and customers of 360networks moving to Zayo (the "Zayo Pro Forma Transactions"). As described in more detail below, the Zayo Pro Forma Transactions will be accomplished through (a) the roll-up of 360networks into Zayo through a series of *pro forma* mergers, with Zayo as the surviving entity, and/or (b) the *pro forma* assignment of the assets and customers of 360networks to Zayo followed by the series of *pro forma* mergers described in (a). The Pro Forma Transactions are part of a series of intra-company transactions that will simplify the corporate structure of Zayo and align the portions of the business of 360networks more closely with the business structure of Zayo and Onvoy.¹ Subject to receipt of applicable regulatory approvals, Zayo proposes to complete the *pro forma* intra-company transactions as soon as possible and no later than January 30, 2013.

It is the Parties' understanding that Commission approval is not required to complete the transactions described herein. Accordingly, the Parties submit this letter for

¹ In addition to the Zayo Pro Forma Transactions, certain wholesale assets and services currently held by 360networks will be migrated to Zayo's affiliate, Onvoy, Inc. ("Onvoy") (the "Onvoy Pro Forma Transaction") (together with the Zayo Pro Forma Transaction, the "Pro Forma Transactions"). The assets involved in the Onvoy Pro Forma Transaction include facilities used to provide wholesale local exchange and long distance services as well as switched access services. Zayo, 360networks and Onvoy previously notified the Commission of the Onvoy Pro Forma Transaction. Out of an abundance of caution, the Parties provide this additional notice of the Onvoy Pro Forma Transaction because the transaction has not yet been completed.

informational purposes only to ensure the continuing accuracy of the Commission's records. In support, the Parties state as follows:

Introduction

Since the time that it completed a *pro forma* intra-company consolidation in 2011, Zayo has acquired a number of additional existing communications businesses, including 360networks. As a result of these acquisitions, the corporate structure of Zayo, has again become overly complex, with numerous operating entities, many of whose services overlap. Through the consolidation of those entities, Zayo will greatly simplify its corporate structure and reduce the reporting and accounting burdens of Zayo (and the regulatory agencies who receive such reports) and provide operational efficiencies.

Description of the Parties

Zayo is a Delaware limited liability company with principal offices at 400 Centennial Parkway, Suite 200, Louisville, Colorado 80027.² 360networks is a Nevada corporation. 360networks is a wholly owned indirect subsidiary of Zayo Group. Zayo Group is a wholly-owned direct subsidiary of Zayo Group Holdings, Inc. ("Holdings"),³ a Delaware corporation, which in turn is a wholly owned direct subsidiary of Communications Infrastructure Investments, LLC ("CII"), a Delaware limited liability company. CII has no majority owner.

In Idaho, Zayo has registered as an Other Telecommunications Provider and applied for Certification as Wholesale Telecommunication Provider. *See* Docket No. ZAY-T-12-01. 360networks is authorized to provide competitive local exchange services in Idaho. *See* Certificate No. 452, Order No. 29925, Docket No. WFN-T-05-1.⁴ The Parties are also authorized by the Federal Communications Commission ("FCC") to provide domestic and/or international telecommunications services. Except for the wholesale voice services currently provided by 360networks that will move to Onvoy, the Company only provides private line services (and similar non-voice services) and does not provide any other voice services.

Additional information concerning the Company's legal, technical, managerial and financial qualifications was submitted to the Commission in connection with various Parties' certification applications and various corporate and financial transactions and is therefore already a matter of public record. The Parties request that the Commission take notice of these descriptions of the Company's qualifications and incorporate them by

² Onvoy is a corporation organized under the laws of the State of Minnesota whose principal address is 10300 6th Avenue North, Plymouth, Minnesota 55441.

³ Onvoy also is a wholly owned direct subsidiary of Holdings.

⁴ Onvoy is authorized to operate as a wholesale provider pursuant to Docket No. OVS-T-12-02, Order No. 32576.

Description of the Pro Forma Transactions

In order to simplify its corporate structure, Zayo is undertaking certain *pro forma* intra-company transactions that will result in customers and assets moving from 360networks and Zayo. Depending on the timing of various state regulatory approvals, the Zayo *Pro Forma* Transactions will be accomplished by (1) the roll-up of 360networks into Zayo through a series of *pro forma* mergers, with Zayo as the surviving entity (i.e. its merging subsidiaries will cease to exist as separate corporate entities); and/or (2) the *pro forma* assignment of assets and customers of 360networks to Zayo, followed by the series of *pro forma* mergers. Ultimately, Zayo will be the Company entity that provides telecommunications services throughout the United States (except for the wholesale voice services currently provided by 360networks that will migrate to Onvoy). Diagrams illustrating the organizational structure of the Company and Onvoy before and after the *Pro Forma* Transactions are provided in Exhibit A.

The proposed *Pro Forma* Transactions will not result in any changes to the services received by customers, including rates, terms and conditions of service. Each customer's service will be assigned to Zayo and Onvoy pursuant to terms of that customer's service contract that permit assignment to affiliates and/or pursuant to the customer's authorization. In addition, each of the affected customers will receive notice of the *Pro*

Forma Transactions that affect their service. A sample of the notice that will be sent to customers that will become Zayo customers is provided as Exhibit B.⁵

Request to Cancel 360networks Authorizations

Following the *Pro Forma* Transactions, 360networks will no longer provide telecommunications services in Idaho and ultimately will cease to exist as a corporate entity. Therefore, the Parties request that, effective upon notification from the Parties that the *Pro Forma* Transactions have been completed, 360networks' authorizations be cancelled. Further, the Parties request that the Commission return and permit cancellation of any bond or letter of credit (or similar security) that 360networks may have provided in connection with its authorizations.

Public Interest Considerations

The Parties submit that the *pro forma* intra-company transactions described herein are in the public interest. The *Zayo Pro Forma* Transactions will simplify the Company's existing corporate structure and thereby reduce its reporting and accounting burdens and provide other operational efficiencies. As a result of the efficiencies and focus, the Company will become a stronger competitor to the ultimate benefit of consumers

Furthermore, the *Pro Forma* Transactions will be virtually transparent to customers and will not result in any change in their services. Since all affected customers are already familiar with, and are receiving invoices including the "Zayo" brand, the *Zayo Pro Forma* Transactions will not result in customer confusion. Moreover, the rates, terms and conditions of their services will not change as a result of these purely intra-company transactions.

Finally, all of Zayo's subsidiaries, including the Parties, have the same corporate officers. Therefore, there will be no change in the managerial qualifications of the telecommunications provider serving the customers affected by the *Zayo Pro Forma* Transactions.

⁵ A sample of the notice that will be sent to customers of the Company that will become Onvoy and/or Zayo customers is provided as Exhibit C.
