Idaho Telephone Association ("ITA") petitions this Commission for leave to intervene in the above entitled proceeding pursuant to Rules 72 and 73 of the Commission's Rules of Practice and Procedure, IDAPA 31.01.01.072 and -.073. In support of this Petition, ITA states as follows:

1. The ITA is an association of independently owned telephone companies providing local exchange service and other telecommunications services within the State of Idaho. The ITA is charged with representing its member companies' interests before the Idaho Public Utilities Commission and other regulatory agencies.
2. The ITA has a direct and substantial interest in these proceedings because this Commission's decision may, directly or indirectly, affect the ITA member companies' quality or cost of telecommunications service.

3. The ITA is unable to state its position at this stage of the proceedings, and therefore seeks to intervene for the purpose of receiving documents, examining witnesses, and otherwise participating as its interest may appear.

4. ITA's representatives for the purpose of service of pleadings and other written materials are:
