BEFORE THE IDAHO PUBLIC UTILITIES COMMISSION

IN THE MATTER OF THE NOTICE OF
WWC HOLDING CO., INC. FOR
RELINQUISHMENT OF ITS
DESIGNATION AS AN ELIGIBLE
TELECOMMUNICATIONS CARRIER

Case No. *wst-t-05-01*

**WWC HOLDING CO., INC. NOTICE
OF RELINQUISHMENT OF
DESIGNATION AS AN ELIGIBLE
TELECOMMUNICATIONS CARRIER**

WWC Holding Co., Inc. (WWC) pursuant to Idaho Code § 62-610D(4), 47 U.S.C. § 214(e)(4) and 47 C.F.R. 54.205, for its Notice of Relinquishment of Designation as an Eligible Telecommunications Carrier (ETC), states the following:

1. Order No. 29791 in Case No. WST-T-05-1¹ dated May 27, 2005 (the “Designation Order”), designated WWC, a commercial radio service provider, an ETC pursuant to 47 U.S.C. §214.
2. The ETC designated area of WWC includes the non-rural telephone company service areas identified in the Designation Order (the “Designated Area”). The Universal

Service Administrative Company (“USAC”) has assigned study area code number 479004.

3. In 2005, WWC was acquired by and became a subsidiary of Alltel Corporation and more recently, on January 9, 2009, Alltel Corporation and its subsidiaries, including WWC, were acquired by and became subsidiaries of Cellco Partnership, d/b/a Verizon Wireless (Verizon Wireless). WWC is, therefore, now a subsidiary of Verizon Wireless.

4. As a condition of the acquisition of Alltel Corporation and its subsidiaries, Verizon Wireless was required to divest (sell) all customers, the network serving those customers and certain other WWC assets in the Designated Area.² On April 26, 2010, all the customers and network serving those customers and certain other assets of WWC in the Designated Area were transferred to and became assets and customers of Allied Wireless Communications Corporation (“Allied”). WWC therefore no longer has any customers in the Designated Area.

5. As set forth in Idaho Code § 62-610D(4), approval of relinquishment of ETC designation by a competitive ETC is mandatory as follows:

“The commission shall permit an eligible telecommunications carrier to relinquish its designation as such a carrier in any area served by more than one (1) eligible telecommunications carrier. An eligible telecommunications carrier that seeks to relinquish its eligible telecommunications carrier designation for an area served by more than one (1) eligible telecommunications carrier shall give no less than thirty (30) days notice to the commission of its intent to relinquish such designation. Prior to permitting a telecommunications carrier designated as an eligible telecommunications carrier to cease providing universal service in an area served by more than one (1) eligible telecommunications carrier, the commission shall require the remaining eligible telecommunications carrier or carriers to

ensure that all customers served by the relinquishing carrier will continue to be served.”

(emphasis added). 47 U.S.C. § 214(e)(4) and 47 C.F.R. 54.205 contain nearly identical provisions.

6. WWC satisfies the above because the Designated Area is served by at least one other ETC, specifically Qwest, it has filed this notice and because as explained above it currently has no customers in the Designated Area. As WWC has no customers and no customers will be affected by the relinquishment, there are no customers that the Commission need ensure will continue to be served or that the remaining ETC purchase or construct adequate facilities as a result of this relinquishment. Therefore, WWC is qualified to relinquish its ETC designation as provided in Idaho Code § 62-610D(4), 47 U.S.C. § 214(e)(4) and 47 C.F.R. 54.205, and notice to customers and the remaining eligible telecommunications carriers is unnecessary as they will be unaffected by the relinquishment.

7. Following its transfer of the customers and assets in the Designated Area, WWC informed the Universal Service Administrative Company (USAC) that it is no longer eligible for support for the customers transferred to Allied and upon approval of this relinquishment it will inform USAC that the relinquishment is completed. As a result of this relinquishment, WWC does not intend to file an annual certification or other compliance filings with this Commission.

8. Please address any questions with respect to this notice to:

And

Wherefore, WWC, having provided notice in compliance with law and having fulfilled the requirements of law, requests that an order be entered effective immediately or upon the expiration of thirty (30) days after this filing, acknowledging that it properly relinquished and is relieved of its designation as an eligible telecommunications carrier with respect to those areas identified in the Designation Order.

DATED this 30 day of July, 2010.
