Case No. WST-T-05-01

Dear Ms. Jewell,

In Order No. 29791 (Case No. WST-T-05-01) issued May 27, 2005, the Commission requested additional comments on the FCC's Eligible Telecommunications Carrier (ETC) rules. On April 29, 2005, CenturyTel submitted comments in this case specific to the FCC's ETC rules. Believing that set of comments to be a sufficient description of the Company's position, CenturyTel respectfully asks that the Commission reference those comments when considering this matter.

Thank you for your consideration of this important topic and please feel free to contact me with any questions you may have.

Sincerely,

A handwritten signature in cursive script that reads "Doug Cooley".
