IDAHO PUBLIC  
UTILITIES COMMISSION

Bar Circle "S" Water Company filed an Application with the Idaho Public Utilities Commission on November 19, 2008 to expand its service area to include the new Double T Estates subdivision proposed for the area north and east of the intersection of Ramsey Road and Ohio Match Road. If approved, the expanded service area will eventually add 47 residential customers to the water system. The Company currently has the ability to serve these customers without adding additional wells or reservoirs. Construction costs of the system expansion will be paid by the subdivision developer and therefore will have no adverse effect on our existing customers.

A copy of the application is available for review at the Company's office located at 2953 N. Government Way in Coeur d'Alene. The application is also available for review on the Commission's web site [www.puc.state.id.us](http://www.puc.state.id.us) Case No. BCS-W-08-01.
