BAR CIRCLE “S” WATER COMPANY TO AMEND ITS CERTIFICATE  
OF CONVENIENCE AND NECESSITY.

### BACKGROUND

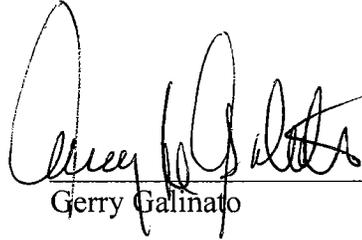

On November 21, 2008, Bar Circle “S” Water Company (Bar Circle “S”; Company) filed an Application to amend its Certificate of Convenience and Necessity No. 296 to include a new subdivision, Double T Estates, in Kootenai County, Idaho. The subdivision will contain 47 five-acre residential home sites and will be developed in two phases. Phase 1 consists of 16 lots; Phase 2 consists of 31 lots. The new subdivision is located on approximately 237 acres in the portion of West ½ of Section 14, Township 52 North, Range 4 West of the Boise Meridian (W1/2 S14, T52N, R4W, BM) in Kootenai County, Idaho. The subdivision is located approximately 1,300 lineal feet from the existing Bar Circle “S” service area at the Ohio Match Road and Ramsey Road intersection.

After reviewing the comments and recommendations of the Commission Staff and the Company’s reply, the Commission issued Order No. 30731 on February 24, 2009, stating that the Certificate of Public Convenience and Necessity No.296 of Bar Circle “S” Water Company be amended to reflect the addition of the Double T Estates subdivision located in the West ½ of Section 14, Township 52 North, Range 4 West of Boise Meridian (W1/2 S14, T52N, R4W, BM) in Kootenai County, Idaho. The Company was also directed by the Commission to prepare and file an amended Certificate for approval by the Commission.

Staff reviewed the amended Certificate submitted by the Company to ensure that the language reflects Commission directives as stated in Order No. 30731. Staff confirms that the language comports with Commission Order No. 30731. Staff recommends approval of the amended Certificate.

**COMMISSION DECISION**
