I would also like to state that the report that was sent to me is in error. It states on page four that the Staff's rate base of pay was uncontested. That is not true as I gave testimony at the public hearing in Rathdrum, to oppose the significant pay raises to the staff and their excessive fees.

Dear Ms. Metcalf:

Thank you for your comments regarding Case No. BCS-W-09-02 - In the Matter of the Application of Bar Circle "S" Water Company for Authority to Increase Rates and Charges for Water Service. The Idaho Public Utilities Commission appreciates your input and interest in this case. Your comments have been directed to the Commissioners and staff for their review.

Thanks again for taking the time to share your thoughts with us.

Sincerely,

Jean Jewell  
Commission Secretary
