RE: Case No. EAG-W-05-02

Dear Ms. Jewell:

I am enclosing a bound copy of a PRELIMINARY ENGINEERING REPORT by MTC, Inc. for Eagle Water Company, Inc. This Preliminary Engineering Report was delivered to the Idaho Department of Environmental Quality on May 31, 2006, in compliance with a Consent Order entered into by Eagle Water Company in February of 2006.

Pursuant to the DEQ Consent Order, a Final Engineering Report will be completed by MTC, Inc. once DEQ has had an opportunity to review the preliminary report. Once a Final Engineering Report is completed, Eagle Water Company intends to file a copy of said report in support of an application to the Commission for funding to implement recommended improvements, as contemplated by the Commission's order in the above referenced case (Order No. 29903 at p. 7). Until such time, this Preliminary Engineering Report is being provided for the Commission Staff's informal review.

Sincerely,

  
Molly O'Leary
